## Introduction

# USFRAUD Coin Is A Movement...

Crypto offers great opportunities but is rife with scams. Rug pulls, Ponzi schemes, and fake influencers cost investors billions. USFRAUD Coin is a movement to protect investors and expose fraud.

## The Problem: Crypto Fraud

- Pump-and-dump schemes manipulate prices.
- Rug pulls leave investors with nothing.
- Ponzi scams promise false returns.
- Fake influencers promote scams for profit.

A lack of regulation allows fraud to thrive. USFRAUD steps in to change this.

Our Solution & How It Works

# Our Solution: USFRAUD Coin

- Fraud alerts warn investors early.
- Education empowers traders.
- Decentralized watchdog network exposes scams.
- Whistleblower rewards encourage transparency.

## How It Works

### Fraud Detection

AI scans projects and community reports scams.

### Education

Guides and reports help identify scams effectively.

### Whistleblower Protection

Secure reporting and rewards for credible leads.

### Funding

Transaction fees support investigations and legal actions.

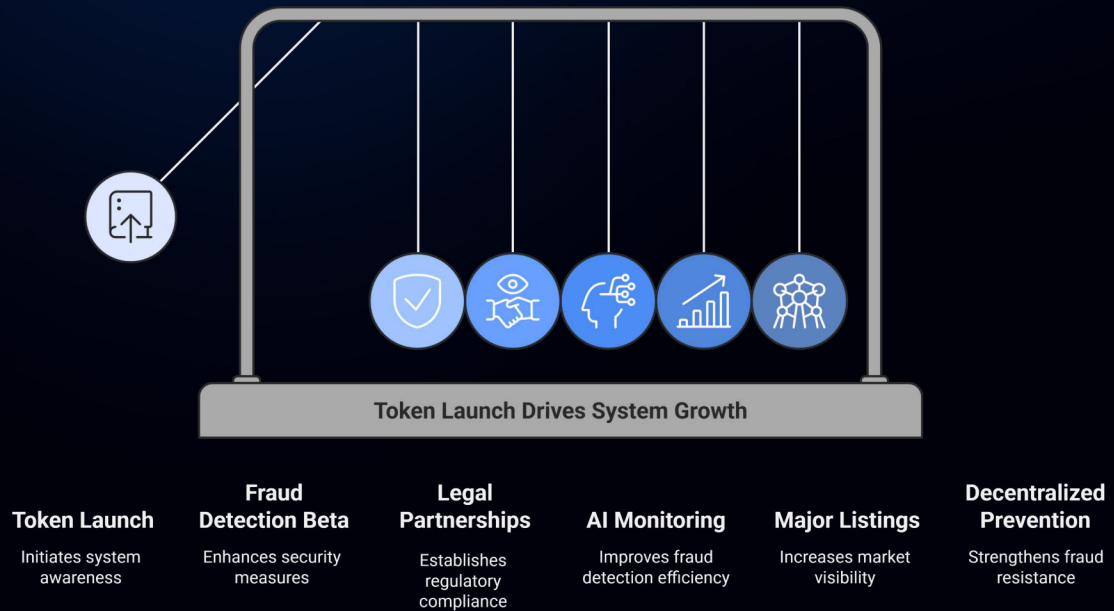

## Community & Roadmap

# Community & Ecosystem

- Telegram & Discord: Fraud alerts, discussions.
- Fraud Prevention Network: Crypto experts & developers.
- Influencer & Developer Accountability: Exposing bad actors.

## Roadmap

## Tokenomics

# Tokenomics

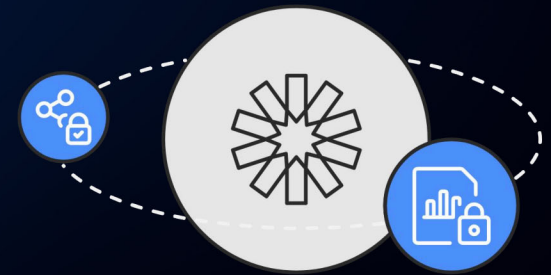

Fixed Supply, Deflationary Model

### Token Utility

- Fraud Investigation Fund: Supports fraud detection.
- Staking Rewards: Incentivizes reporting fraud.
- Whistleblower Bounties: Encourages transparency.

### Security

- Multi-signature wallet protection.
- Transparent fund allocation.

### Token Utility

Includes fraud investigation fund, staking rewards, and whistleblower bounties

### Security

Features multi-signature wallet protection and transparent fund allocation

## Conclusion & Call to Action

Crypto should empower, not deceive. USFRAUD fights fraud, educates investors, and builds a safer crypto space.

Join us:

- Follow Nitro. Stay alert. Protect your investments.
- Join our community. Report scams. Spread awareness.

Together, we fight fraud—one scam at a time.
